Cleaning information

Your Northmace Hotel Safety Iron should only be cleaned with a soft cloth, slightly moistened with water (moist but NOT wet). Do not use abrasive cleaners, and avoid the areas around switches, buttons and the electrical connections. Remember to completely isolate your iron from the electricity supply before attempting to clean it. Then polish dry with a dry soft cloth.

Title to the goods does not pass until all monies due to Northmace & Hendon Limited have been paid. Crockery, ingredients, batteries etc. not supplied.
