

## Dometic DM 50

The first ever pull-out minibar

- Unique minibar concept
- Pull-out drawer with top access
- Decorative front panel and handle that can be matched to the hotel's interior design
- Dometic certified manufacturing

**Dometic DM 50 – the stylish minibar solution for your hotel.** Dometic minibars are used in countless hotel rooms all over the world. Eighty years of expertise in cooling technology is just one of the many reasons for this market success. Dometic presents a novel design with the DM 50 – patented minibar – an innovative pull-out drawer system.

**Innovation**  
Pull-out  
minibar

A world first, the pull-out Dometic DM 50 minibar can be matched to the interior decor of your hotel. This innovative fitted appliance has two refrigerated drawers – one for miniature bottles and snacks, the other for bottles and cans. The unique pull-out minibar is available in two versions: fully fitted with a decorative anthracite panel and handle, or prepared for fitting the hotel's own door decor. The minibar is specially designed so that the guest can see all the content at a glance. All products are easily and conveniently accessible.
